**Corporate Event:**

***The Bermuda Hurricane Seminar***

Date & Time: Thursday 11 March, 2010

Location: Fairmont Hamilton Princess, on 11, March 2010.

This is a unique event, which allows interaction between the business communities of Bermuda, research initiatives which enhance our understanding of hurricanes, and the agencies around our region that detect, track and forecast them. This meeting will engage the local business and operational forecasting communities in a discussion about the risks from hurricanes, and the mitigation of that risk. Speakers include; UN World Meteorological Organization's Hurricane Committee, Florida State University, the US National Hurricane Center, the US Air Force Reserve Hurricane Hunters, Aspen Reinsurance, BIOS, the Risk Prediction Initiative, and the Bermuda Weather Service.

Cost: \$500 per company representative. Please contact our Organizing Committee at: [HurricaneAwareness@weather.bm](mailto:HurricaneAwareness@weather.bm)

These events are facilitated via a public/private partnership, hosted by the Government of Bermuda, Bermuda Weather Service/BAS-Serco Ltd., the World Meteorological Organization, and various Corporate Sponsors listed below. Interested in being a Corporate Sponsor? Please contact our Organizing Committee via the Bermuda Weather Service at: [HurricaneAwareness@weather.bm](mailto:HurricaneAwareness@weather.bm)
